

6 PLAYER VARIANT

SETUP

- 1 Deal 8 cards to each player facedown. 
- 2 Place the remaining 2 cards in Harmony and Agony, 1 in each. 
- 3 Choose a starting player and give them the First Player Card. 

GAMEPLAY CHANGES

Playing cards is the exact same as in a regular game of Expressions.

When a card is guessed, only the guessed card is added to Harmony or Agony. CORRECT guesses are added to Harmony and INCORRECT guesses are added to Agony.

! DO NOT add a card to Agony or Harmony from your hand when guessing.

GAME END

The game immediately ends when one player has 0 cards left in their hand.
All Suggestions and cards remaining in players' hands are moved to Agony.

If there are more cards in Harmony than Agony, YOU WIN!

HARMONY
